

Professional Multi-Spray 7 in 1

Dissolves and protects

Multipurpose spray with 7 functions in 1 can. Used by professionals.

Rust dissolver – dissolves even the most stubborn connections blocked by rust and oxidation, without attacking the metal part as it is acid-free.

Moisture displacer – displaces moisture and water from all cables and connections.

Corrosion protection – protects with its very thin spray film all metal parts thoroughly and sustainably against corrosion. Wide range of application with electrical assemblies.

Electrical contact spray – creeps in any moisture on cables and contacts.

Fine lubrication – contains synthetic oils that are capable of dealing with any lubrication problems in precision mechanics.

Defroster – Multi-spray is loosening frozen-up locks, pins, fittings, bolts and screw connections up to – 60°C.

Penetrating oil – delivers the oil film even to the tiniest crevices and makes disassembling easier.

- Content acid free
- Dissolves rust
- Displaces moisture
- Corrosion protection
- Perfect lubrication
- Defrosts frozen locks
- Incredible penetration grease features
